OTTAWA, September 4, 1928.

Sir,-

N.W. ¼ of Sec. 18 Tp. 60 Rge. 8 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

File #183675.

OTTAWA, 5th November, 1928.

Sir,-

Pt. of N.E. ¼ Sec. 21 Tp. 60 Rge. 18 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner
of Dominion Lands.

DOMINION LANDS ADMINISTRATION

OTTAWA.

Sir,-

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sir,-

[redacted]

[illegible] ¼ Sec. 20 Tp. 60 Rge. 8 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

OTTAWA, July 30, 1928.

[illegible] to A.G.I. Edmonton,
Ref. #18361.

Sir,-

N.W. ¼ of Sec. 4 Tp. 64 Rge. 21 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1918, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

of Dominion Lands.

Re: Account of Fred Crawford,
N.W. 33-1-17-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 fodder amounting to $70.00 was advanced to Fred Crawford on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

| Principal | Interest | Total |
|---|---|---|
| $ 70.00 | $ 129.50 | $ 199.50 |

The N.W. 33 was the homestead entry of Fred Crawford whose entry was cancelled on 6th July, 1915. The land was later re-entered upon by Herbert Schwartz who was not required to assume the indebtedness of the former entrant and patent was issued in his name on the 21st of August, 1918, clear of any encumbrance.

The whereabouts of the original debtor is unknown and it is considered that there is no possibility of collection.

As the lien was never registered against the land, there is no further security and it is recommended that the indebtedness be cancelled.

C.W. Gilchrist.

Sir,-

Sec. [illegible] Tp.- [illegible] Rge. West Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Acting Commissioner

George S. Aylwin- Homestead

I beg to advise you that entry for the above described land was made on the 30th July, 1915 but no application for patent hasbbeen made.

On the 20th February, 1930, Mr. Aylwin wrote this office as follows;-

" I filed on the S.W. 32-43-1-5, several years ago as a homestead which I did not prove up on. Mr. Strause of Vonoka wishes to file on this piece of land, and found it was in my name, and as near as I could find out was turned down. If Mr. Strause wishes to homestead this piece of land he may do so as far as I am concerned. I agree to waive all rights and have it cancelled.

Mr. Strause mentioned a lien that was against this quarter, but I think there must be some mistake about that. "

Please ask a Field Supervisor to visit this place and if duties completed [illegible] patent.

Entries granted - 29th December, 1919.

Application to have patents for these lands vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1321)

This extract has obtained advances on the security of the above land from the Soldier Settlement Board.

Amount:- $110.00.
Purpose:- For stock, equipment and permanent improvements.

He has applied for patent claiming duties as shown on form 538 hereunder mailed. Apparently his duties have been completed in a satisfactory manner and the applications have been accepted, but in view of the above mentioned loan he was advised that patent for this land could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 15th instant the Soldier Settlement Board reports the receipt of an application from the patentee to have patent for this land issued in favour of the Board, and it is pointed out in this memorandum that this would enable the patentee to transfer a title of the land. A Vesting Order for the Minister's signature is attached.

It is suggested that the necessary action be taken to have patent for this land issued in the name of the Board.

Sir,-

N.W. Sec. 17 Tp. 55 Rge. 6 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an patented pre-emption or purchased homestead entry will not permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Minister of the Interior,
Ottawa.

SIR:

Request for transfer of Dominion Lands.

Re: Thomas Donnelly, No. 10884.
S.E.1/4 of 22-Fe-y-.. 5th ... - S.S.

The above named settler secured advances from the Board for permanent improvements on stock and equipment totalling $... 0, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Donnelly requesting that patent to his soldier grant should be issued in favour of the Board. Mr. Donnelly states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter of the 18th ... from the Secretary of the Department to the settler, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921 (...1621) which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of the said Thomas Donnelly in the ... of 22-...-... 5th ... be vested in the settler without delay. The usual order covering same is attached hereto for the Minister's signature.

OTTAWA. 11th January, 1926.

Sir,-

H. E. ¼ of Sec. 22 Tp. 61 Rge. 20 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

Joseph Wals, Esq.,

Sir,

Replying to your letter of the 3rd instant, I am directed to say, that, provided the N.E.¼ of 7-16-3--W. 4th M. is vacant in the records of the Agent of Dominion Lands at Medicine Hat, to whom a copy of this letter is being sent for his information, there would appear to be no objection to the sale being made of the parcel required for a school site, at the rate of $1.00 per acre. If, however, the land has been entered for, it will be necessary to obtain and file here the written consent of the entrant to the parcel required being withdrawn from his entry for the purposes mentioned, without compensation.

I enclose herewith a memorandum respecting applications for grants of land for school site purposes, setting out the conditions which must be observed in connection with such applications.

Precis for the Clerk of the Privy Council.

The accompanying Memorandum to Council concerns ten quarter-sections of land in Alberta which were excepted from the transfer of the resources by virtue of the provisions of Section 13 of the Alberta Natural Resources Agreement, since advances had been made upon the security of the lands under the provisions of the Soldier Settlement Act.

The charges made against the lands to secure the loans advanced under the Soldier Settlement Act were recently withdrawn.

In the case of lands in Manitoba, Saskatchewan or Alberta where charges under the Soldier Settlement Act have been withdrawn, it has been the policy to transfer the parcels to the respective Provinces, so that they might be administered along with the properties which were transferred under the Resources Agreements.

This practice has the effect of placing the Provinces of Manitoba, Saskatchewan and Alberta on the same footing as the Province of British Columbia as regards lands in respect of which the charges have been withdrawn, since Section 21 of the Agreement relating to the transfer to British Columbia of the Railway Belt and the Peace River Block is so worded that it operates to vest automatically in the Province the lands on the security of which advances had been made, upon the charges being withdrawn. In the case of Manitoba, Saskatchewan and Alberta, the corresponding section in each of the Resources Agreements excepts the charged lands from the transfer absolutely.

It is recommended in the accompanying Memorandum to Council that the interest of the Crown in the lands in question, in so far as such interest is now vested in the Crown in the right of the Government of Canada, be transferred to the Province of Alberta, subject to any trusts existing in respect thereof, and to any interests other than that of the Dominion in the same.

A description of each of the ten quarter-sections, with a notation of the standing of each parcel, follows: -

MEMORANDUM: Request for Transfer of Dominion Lands.

Re: Walter J. Barr, No.604788,
S.E.¼ 31-35-23-W.4th M. - Sask.
N.W.¼ 8-63-23-W.4th M. - S.S.B.
- - - - - - - - - - - - - - -

The above named settler secured advances from the Board totalling $388, the Board taking a charge upon his unpatented homestead and soldier grant above described. Owing to such charge, patent to the homestead and soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Barr requesting that patent to his homestead and soldier grant should be issued in favour of the Board. Mr. Barr states that he has completed all duties in connection with his homestead and soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated the 24th October, 1922.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were formulated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C.1521), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations the Board hereby requests that the right, title and interest of His Majesty in the S.E.¼ 31-35-23-W.4th M. be vested in the soldier settlement Board. The petition prior covering same is attached hereto for the Minister's signature.

Respectfully submitted,

Chairman.

THE SOLDIER SETTLEMENT BOARD
CANADA

TO WHOM IT MAY CONCERN:

WHEREAS it is provided by the Regulations for the transfer of certain lands to the Board where settlement duties completed, approved by the Governor in Council on the 4th day of June, 1931, (P.C.1831), that in the event of a settler who holds any Dominion Land on which a charge has been imposed, constituted or created by or under the Soldier Settlement Act, 1919, or the former Act, having complied with the conditions of his entry to entitle him to receive Letters Patent for the land but for the charge imposed against it as aforesaid, the Minister, at the request of the Board, may transfer to the Board the land so held by the settler;

AND WHEREAS Walter J. Barr is a settler within the meaning of the Soldier Settlement Act who holds the S.E.¼ 31 and N.W.¼ 8-62-23-W.4th M.;

AND WHEREAS The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board;

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said Section One of the Regulations for the transfer of certain lands to the Board where settlement duties completed, as approved by the Governor in Council on the 4th day of June, 1931, (P.C.1831), declares the right, title and interest of His Majesty in the said land except mines and minerals, whether solid, liquid or gaseous to be vested in the Board.

Sir,-

Sec. 21 Tp. 53 Rge. West Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers who had obtained patent, or who had become entitled thereto on or before the 1st January, 1908, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above mentioned, and if you find this is the only land on which you have obtained homestead patent, you are entitled to another homestead, and the representation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for grant of your homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption is entitled to make entry for a homestead in order to perfect his title to the pre-emption, instead of a resident as the purpose of making entry for the land as a second homestead.

Gentlemen:-

[illegible]

In response to your request for a further statement, I beg to say that Mr. Toney has advised me that on the 16th October, 1911, he by deed filed after of the 16th December, 1911, he forever relinquished all his right, title and interest in the land described in said deed.

In the event of cancellation, and it seems doubtful to allow you to re-enter for the reason stated on the ground that a family, you will be allowed credit for all the settlement duties performed by you may have completed subsequent to the date on which your husband deserted you.

This letter refers to both the homestead and pre-emption held by her husband.

Cancellation proceedings were taken in part, both and the entries over the half section were consolidated in one tract, and a receipt has been issued for each of the land.

If the part had been properly dealt with at the time of cancellation, this woman could have secured homestead and pre-emption entries. In the interval the pre-emption privilege has been exhausted.

Mrs. Toney appears to be residing with her father in law who cultivates the lands as to rent, raising [illegible] already sown.

I do not think the department is in any way liable to grant her. Only two quarter sections out of the whole tract [illegible] source to which her to the other land to the department. The N.W. ¼ and S.W. ¼ 3-43-7-W4 were formerly the homestead entry and soldier grant of the debtor whose entries were cancelled on the 23rd of June 1943 and are still Crown Lands still in the right of the Province.

In reply to our questionaire of the 19th of May 1952, J. L. Fedrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"This parcel is unalienated crown land occupied at present under long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the indebtedness be cancelled.

Abstract of Title immediately hereunder shows this land to stand in the name of Abe P. Greenwood with no encumbrances registered against this land.

Mr. Greenwood incurred a Seed Grain lien for $262.50 bearing interest @ 7% from 10th March, 1919, this being given on the security of the N. W. 1/4 this unpatented land.

It will be noted from the Homestead Inspector's report on file dated 24th January last that Mr. Greenwood left this district in 1921. There would therefore appear doubt as to whether he would ever obtain Patent for the N. W. 1/4 and last which the lien was given.

Would you therefore be good enough to take such action as would establish our security against the N. W. 1/4 13-10-8 W 4.

The matter of [illegible] referred to you, [illegible] constituted as a [illegible] in a position to report as follows:

In investigation I [illegible]

In 1919 seed grain amounting to $262.50 was advanced to A.P. [illegible] on the security of the above mentioned land. No payment has ever been received and the [illegible] of this account is:

| Principal | Interest | Total |

The [illegible] 1-10-1-24 was formerly the pre-emption of the debtor [illegible] entry was cancelled on the 14th of July 1924, and the land is still [illegible] Crown land held in the right of the province.

In reply to our questionaire of the [illegible]th of June last, [illegible] Tarrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Albert, wrote as follows:

"This land is unalienated crown land and is included at present under a long term grazing lease. This land is located in that part of the province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.
